

## **Owl Ridge Wine Services**

### **Requested Protocol for Shipping Bulk Wine to Owl Ridge Wine Services (ORWS)**

Please ensure the following measures are taken, if applicable:

- Clean and sanitize all hoses and tanks.
- Inspect the tanker for cleanliness before loading.
- Gas all tanks with CO<sub>2</sub> or argon unless specified otherwise.
- Fill all containers where possible.
- Adjust fSO<sub>2</sub> as per ORWS instructions.
- Confirm delivery address with ORWS.
- Advise ORWS of any information needed by the truck driver: gate codes etc.
- Advise ORWS if available pick up hours are outside of 7am-3pm.
- Please ensure bill of lading is complete (including shipping winery bond number).
- Please include specific gravity of the wine on the BOL.
- Provide full composition and addition history information prior to shipment.
- Advise ORWS if the shipping is delayed or if there are any irregularities.
- Perform lab analysis on the wine prior to loading.
- Pull a sample from the truck for hold-back analysis.
