

Pythian Rock

2015 California Cabernet Sauvignon

Vintage after vintage, Pythian Rock produces its best-selling Cabernet Sauvignon, sourced from some of California's premium growing regions.

Lively aromas of cassis and vanilla lead to a full-bodied wine displaying true cab characteristics: deep, dark berry flavors counterbalanced by caramel and coffee. The tannins are balanced, a product of the wine aging in carefully selected French oak barrels.

The finish is long and complex, with hints of molasses, tobacco and cherry.

Pair with blue cheeses, hearty burgers, braised lamb.

Winemaking Notes:

pH: 3.61

TA: 5.76

Harvest date: September 2015

100% Cabernet Sauvignon
